# RULES OF PROCEDURE

According to RSA 40, the town Moderator determines the procedures to be used in Town Meetings. The Moderator determines the rules without regard to parliamentary or other procedural rules. The voters can overturn the Moderator's rules at any time, however. A motion to overturn the Moderator's rules, or establish new rules, will always take precedence to other business which is already "on the floor".

So that you will know the ground rules by which we are maintaining order, these procedural rules are announced to you ahead of time.

- The Moderator will read each article in its entirety before that article is considered.
- There can be no discussion until there has been a motion under the article. (usually the first motion is to approve the article as it appears on the warrant)
- All motions must be seconded by a different individual.
- Discussion will only take place after a motion has been moved and seconded.
- All discussion must take place only when called upon by the Moderator. You must have permission from the Moderator before you can speak.
- When the Moderator recognizes you, standup, speak out loudly and announce your name before proceeding with your comments.
- If you want to change a portion of a motion, you can do so by making an amendment. We will consider only one move to amend at any given time. When discussion regarding an amendment comes to a conclusion, the amendment will be voted upon. If the amendment passes we will then continue considering the original motion as it has now been amended. If the amendment fails, we will return to considering the motion in its form prior to the motion to amend.
- A secret written ballot will be used on any article when requested by any 5 voters in writing (RSA 40:4-a).
- A vote will be re-tabulated by secret written ballot when requested in writing or orally by only 7 voters (RSA 40:40b). This action must be requested before we have already moved onto the next item of business.

One final word of advice from your Moderator: If you want to get action from the Town Meeting, you have to make a motion. It's okay to get up and ask a question or make a comment (as long as it's relevant to what's on the table), but if you want the Town Meeting to discuss and vote on your idea, you have to get it on the table with a motion. Let's work together to have a successful and efficient meeting.

Thank you,  
Donald Johnson, Moderator

## **TOWN OF FREEDOM**

### **TOWN MEETING + ELECTION OF OFFICERS: TUESDAY, MARCH 13, 2018**

#### **TOWN WARRANT 2018 – MINUTES [ABRIDGED]**

The polls were opened at 9 am and closed at 7 pm on Tuesday, March 13<sup>th</sup>, 2018, in the downstairs of the Town Hall. The deliberative portion of Town Meeting opened at approximately 9:25 am in the upstairs of the Town Hall also on March 13th, 2018.

The Moderator, Don Johnson, reviewed the Rules of Procedure and directed the meeting to Page 6 in this year's Town Report, explaining the use of 'point of order', noting that we are the legislative body of the Town of Freedom: Democracy at its best!

The election officials were introduced: Don Johnson, the Moderator, Libby Priebe, Town Clerk, John Ratigan, Town Counsel, the Selectmen Les Babb, Ernest Day, Jr., and Neal Boyle. He introduced his assistant, Chuck Brooks, the moderator pro-tem - noting there was a squadron of others downstairs, including Supervisors of the Checklist Daniel Brooks and Carol Stansell. He introduced Supervisor Pat McCoy, checking people in to the meeting, assisted by Peg Scully, handing out the voting cards. He also explained the use of the cards, to be displayed for voting and for the "counting of hands" if required.

Moderator Johnson pointed out this year's Dedication in the Town Report to Ned Hatfield, who we lost during the past year, and asked those in attendance to review the list in the Town Report to see the names of the others who had died during the past year. He then called for a moment of silence in honor of Ned and the others.

The Moderator started the meeting with the Pledge of Allegiance to the Flag, and then read the Warrant into the minutes:

To the inhabitants of the Town of Freedom in the County of Carroll in said state, qualified to vote in Town Affairs:

You are hereby notified that the Annual Town Meeting of the Town of Freedom will be held at the Freedom Town Hall on Tuesday the 13<sup>th</sup> day of March 2018 at 9:00 o'clock in the forenoon to act upon the following subjects.

There will be voting by Official Ballot for the election of Town Officers and for adoption of Zoning Amendments. The polls open at 9:00am and close at 7:00pm unless there is a vote to keep the polls open to a later hour. The ballots will be counted after the polls close at 7:00pm.

All other articles will be presented, discussed and acted upon beginning at 9:00am at the Freedom Town Hall.

**FOR THE PURPOSES OF THESE MINUTES the election results are included herein - in Warrant order.**

**[PLEASE NOTE: 156 ballots were cast during this election; 1224 voters on the checklist at the beginning of the day, four new voters registering during the day, totaling 1228 on the voting checklist at day's end, for a 13% +/- voter turn-out; (b) the election results are included herein and (c) a write-in candidate must have received a minimum of five (5) votes to be included or have been declared the winner with less than five (5) votes:]**

**Article 1:** ( To vote by Official Ballot):

To choose all necessary Town Officers for the ensuing year.

**TOWN OFFICERS:**

Selectman, Three Years (vote for one):                      Alan G. Fall                      131

Alan G. Fall declared the winner.

Moderator, Two years (vote for one):                      Donald G. Johnson                      146  
Donald G. Johnson declared the winner.

Supervisor of the Checklist, Six years (vote for one):  
Carol E. Stansell 142  
Carol E. Stansell declared the winner.

Trustee of the Trust Funds, Three Years (vote for one):  
Patricia E. McCoy 144  
Patricia E. McCoy declared the winner.

Cemetery Trustee, Three Years (vote for one):  
Dorothy L. Brooks 141  
Dorothy L. Brooks declared the winner.

Planning Board Members, Three Years (vote for two):  
Paul Elie 133  
Jeff Towle (Write - in) 10  
Paul Elie and Jeff Towle were declared the winners.

Library Trustee, Three Years (vote for one):  
Jayne Britton (Write-in) 39  
Jayne Britton declared the winner.

**SCHOOL OFFICERS:**

School District Moderator, One Year (vote for one):  
Donald G. Johnson 143  
Donald G. Johnson was declared the winner.

School Board Member, Three Years (vote for one):  
Bonnie Elie (Write-in) 73  
Bonnie Elie declared the winner.

School District Auditor, One Year (vote for one):  
Scott Cunningham 139  
Scott Cunningham declared the winner.

School District Clerk, One Year (vote for one):

Gina M. Detorio

129

Gina M. Detorio declared the winner.

**Article 2: (To vote by Official Ballot)**

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows: add section 304.6.7 Impervious Surfaces on Shorefront Lots to article 304? This addition will mirror the state's requirements under RSA 483-B:9 V.(g) regarding the percent of impervious surfaces and storm water management plan requirements (as published in the 2017-2018 edition of NH Planning and Land Use Regulation). Property owners must already comply with these regulations. This will allow the town of Freedom to protect water resources locally.

**RESULTS: 130 Yes 24 No**

**ARTICLE 2 carries.**

During the meeting, Planning Board Chair Anne Cunningham spoke regarding the article, noting the language in the two articles brings the language in Freedom's ordinance up to date with the State's requirements, which are already in place.

Discussion.

**Article 3:**

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town zoning ordinance as follows: Add Article 17: Small Wind Energy Systems Ordinance that accommodates small wind energy systems in appropriate locations, but excluding the Shorefront District? Adopting this language will mirror state requirements while allowing the town to oversee wind energy installations in the town.

**RESULTS: 128 Yes 26 No**

**ARTICLE 3 carries.**

During the meeting, Planning Board Chair Anne Cunningham spoke regarding the article, noting it is very straightforward and had been adopted by Madison and Freedom.

Discussion.

**Article 4:**

To see if the Town will vote to raise and appropriate the sum of \$2,630,033 for General Government for FY 2018 as follows:

**General Government**

**Town Office:**

Wages, Fees, Benefits

<b>Total Debt Service:</b>	<b>339, 216</b>

**TOTAL FOR ARTICLE 4:** \$ 2,630,033

**MOTION:** Les Babb

**SECONDED:** Ernie Day

Selectman Babb spoke to the Article, noting that the Selectmen have used the fund balance in an effort to keep the tax rate flat.

No further discussion.

**VOTE ON ARTICLE 4: ARTICLE 4 carries.**

## Article 5:

To see if the Town will vote to raise and appropriate the sum of \$41,421.00 to purchase and equip a new four wheel drive cruiser for the Police Department; to be paid by authorizing the withdrawal of \$10,000 from the Police Department Equipment Capital Reserve Fund and \$31,421.00 to come from general taxation.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day

**SECONDED:** Scott Brooks

Selectman Day explained that the old cruiser - the 2012 - would go the Highway Department, and the old cruiser the highway department currently uses would probably be put out to bid.

No further discussion.

**VOTE ON ARTICLE 5: ARTICLE 5 carries.**

**Article 6:**

To see if the Town will vote to raise and appropriate the sum of \$79,500 to purchase and equip a new one ton truck for the Highway Department, to be paid by authorizing the withdrawal of \$30,000.00 from the Highway Department Equipment Capital Reserve Fund and \$49,500.00 to come from general taxation.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day  
**SECONDED:** Cubby Brooks

Selectmen Day spoke to the Article - will be a new one ton type truck with new sander and plow frame, to replace current truck - which can be used by the Fire Department as a Forestry Truck.

Selectman Babb said the vehicles are replaced as needed - cycled between the departments, extending the use time.

No further discussion.

**VOTE ON ARTICLE 6: ARTICLE 6 carries.**

**Article 7:**

To see if the town will vote to raise and appropriate the sum of \$30,000 to be added to the Fire Department budget to convert the part time station duty coverage back to a full time Fire Chief.

**MOTION:** Les Babb  
**SECONDED:** Cubby Brooks

Selectman Babb addressed the Article - when the new public safety building was first opened, there had been a full time Chief with medical training, in town all day. Circumstances changed, the economy changed, and there were several part time people there on a full time basis for coverage. Cubby came to the Selectmen with the proposal, as he is not medically certified and out of concern for the welfare of the town, wanted to step down for someone who is. Rob Cunio is currently the Assistant Chief and is willing to take the position. Cubby's full time job is at the transfer station. The Selectmen had discussed and made the decision to promote from within.

Discussion.

Chuck Brooks made a **MOTION TO MOVE THE QUESTION.**

Moderator Johnson stated that a motion to move the question does not require a second, but does need a 2/3 majority, stating we'd go immediately to vote. He noted that a yes vote cuts off all debate, a no vote would allow the discussion to continue.

**VOTE ON MOTION TO MOVE THE QUESTION: Yes, the motion carries.**

**VOTE ON ARTICLE 7: ARTICLE 7 carries.**

**Article 8:**

To see if the Town will vote to raise and appropriate the sum of \$75,000.00 to repave on Town Roads.

**MOTION:** Les Babb

**SECONDED:** Cubby Brooks

Discussion.

**VOTE ON ARTICLE 8: ARTICLE 8 carries.**

**Article 9:**

To see if the Town will vote to raise and appropriate the sum of \$52,000.00 to sealcoat on Town Roads.

**MOTION:** Neal Boyle

**SECONDED:** Cubby Brooks

Road Agent Scott Brooks addressed the issue, stating which roads would be determined after doing an assessment of all the roads in the spring. He does have the roads on a rotation schedule, but sometimes the winter wear and tear changes the schedule.

**VOTE ON ARTICLE 9: ARTICLE 9 carries.**

**Article 10:**

To see if the Town will vote to raise and appropriate the sum of \$10,535.00 for the crushing of gravel for the use on Town Roads.

**MOTION:** Neal Boyle

**SECONDED:** Scott Brooks

No discussion.

**VOTE ON ARTICLE 10: ARTICLE 10 carries.**

**Article 11:**

To see if the Town will vote to raise and appropriate the sum of \$12,000.00 to be added to the previously established Municipal Land and Building Capital Reserve Fund.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day

**SECONDED:** Paul Tung

Selectman Day stated that this \$12,000.00 would be added to the existing fund which currently has a balance of \$92,256.22.

Nadine Chapman asked the purpose of this fund.

Selectman Babb explained that the fund was established several years ago, knowing that at some point the town would need to replace or remodel the existing municipal office building.

Jim Breslin spoke in favor of this Article, noting it was a smart plan to pay it forward and it lessens the hit for the town.

**VOTE ON ARTICLE 11: ARTICLE 11 carries.**

**Article 12:**

To see if the Town will vote to raise and appropriate the sum of \$11,000.00 to be added to the previously established Transfer Station Equipment Capital Reserve Fund.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day

**SECONDED:** Cubby Brooks

Selectman Day stated that this \$11,000.00 would be added to the existing fund which currently has a balance of \$20,805.13.

**VOTE ON ARTICLE 12: ARTICLE 12 carries.**

**Article 13:**

To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be added to the previously established Highway Equipment Capital Reserve Fund.

Recommended by the Board of Selectmen 3-0

**MOTION:** Les Babb

**SECONDED:** Robert Oram

Selectman Babb stated that this \$10,000.00 would be added to the existing fund which currently has a balance of \$52,456.91, noting we'd voted to take \$30,000.00 out of this Fund earlier under Article 6.

No discussion.

**VOTE ON ARTICLE 13: ARTICLE 13 carries.**

**Article 14:**

To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be added to the previously established Police Department Equipment Capital Reserve Fund.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day

**SECONDED:** Cubby Brooks

Selectmen Day stated that this \$10,000.00 would be added to the existing fund which currently has a balance of \$20,385.87. This amount would replace the \$10,000.00 voted to be used from this account under Article 5 previously voted on today.

No discussion.

**VOTE ON ARTICLE 14: ARTICLE 14 carries.**

**Article 15:**

To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be added to the previously established Fire Department Equipment Capital Reserve Fund.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day

**SECONDED:** Robert Oram

Selectman Day stated that this \$10,000.00 would be added to the existing fund which currently has a balance of \$36,926.39.

No discussion.

**VOTE ON ARTICLE 15: ARTICLE 15 carries.**

**Article 16:**

To see if the Town will vote to raise and appropriate the sum of \$2,500.00 to be added to the Freedom Public Library Expendable Trust Fund previously established.

Recommended by the Board of Selectmen 3-0

**MOTION:** Ernie Day

**SECONDED:** Chuck Brooks

Selectman Day stated that this \$2,500.00 would be added to the existing fund which currently has a balance of \$5,896.30.

No discussion.

**VOTE ON ARTICLE 16: ARTICLE 16 carries.**

**Article 17: (by petition)**

To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for maintenance of Lakeview Cemetery.

Recommended by the Board of Selectmen 2-1

**MOTION:** Alan Fall

**SECONDED:** Cubby Brooks

Mr. Fall, a Cemetery Trustee, spoke to the Article.

It was noted that this had come before the town last year, too, and was that necessary - couldn't it just be automatically included?

Selectman Babb addressed the question, stating that because the cemetery is private, it needs to be put on the Warrant by petition each time. This was confirmed by Attorney Ratigan.

Discussion.

**VOTE ON ARTICLE 17: ARTICLE 17 carries.**

**Article 18: (by petition)**

To see if the Town will vote to raise and appropriate the sum of \$500.00 to help fund CASA (Court Appointed Special Advocates) of

NH. CASA of NH is the only non profit organization in the state to recruit, screen and train volunteers to advocate for victimized children.

Recommended by the Board of Selectmen 3-0

**MOTION:** Sue Hoople

**SECONDED:** Scott Brooks

Sue Hoople stated that this was not her Article, but that she could speak in favor of it, noting it is a national organization and the need is incredible, especially due to the opioid crisis, and pointing out that most of the people helping, such as herself, are unpaid volunteers.

Selectman Babb noted that this was a new request and typically after 2-3 years, it would be budgeted in such as the other organizations listed in Article 4.

Discussion.

**VOTE ON ARTICLE 18: ARTICLE 18 carries.**

### **Article 19:**

To transact any other business that may legally come before the meeting.

Moderator Johnson turned the meeting over to Selectman Babb, who wanted to recognize and thank the following people, who were given awards and a round of applause:

Neal Boyle - for 9 years as a Selectman;

Dianne Park - for 8 years as a recording secretary for various town boards;

Peter Park - for 9 years on the Planning Board;

Holly Brooks - for 11 years as the bookkeeper;

Police Chief Josh Shackford - for 20 years of service; and

Sue Hoople - for 30 years with the Conservation Commission.

Neal thanked the townspeople - saying it had been an experience and he'd learned a lot in the process.

Jerry Knirk wondered about the recurring items in Article 4, such as Starting Point and the Red Cross - and why the difference regarding a petition.

Attorney Ratigan explained there is a distinction from charitable organizations and private.

Jayne Britton, our Town Treasurer - asked that everybody who receives a check from the town, no matter how small it is: Please cash it! She noted that if somebody doesn't want the money, endorse it over to a charity, the library - anything - just do something with the checks: PLEASE!

Cubby stated that the new Fire Truck voted in last year has arrived in Town and there will be a dedication next Saturday, March 17th, 2018. There were will be a formal open house at a later date at Freedom's Public Safety Building.

Anne Cunningham advised the meeting that a new committee has been formed - the Advisory Committee on Aging - with Rick Davidson as the Chair. All citizens are invited to attend the meetings and participate.

Moderator Johnson announced that we had voted to raise and appropriate the total sum of \$2,978,489.00 at this meeting.

Anne Cunningham made a **MOTION TO ADJOURN; SECONDED** by all.

The meeting was adjourned at 10:35 a.m.

A true copy, attest: /s/ A. Elizabeth Priebe, Town Clerk

# TOWN MEETING – MARCH 12, 2019

## WARRANT

The polls will be open from 9:00am to 7:00pm

To the inhabitants of the Town of Freedom in the County of Carroll in said state, qualified to vote in Town Affairs:

You are hereby notified that the Annual Town Meeting of the Town of Freedom will be held at the Freedom Town Hall on Tuesday the 12<sup>th</sup> day of March 2019 at 9:00 o'clock in the forenoon to act upon the following subjects.

There will be voting by Official Ballot for the election of Town Officers and for adoption of Zoning Amendments. The polls open at 9:00am and close at 7:00pm unless there is a vote to keep the polls open to a later hour. The ballots will be counted after the polls close at 7:00pm.

All other articles will be presented, discussed and acted upon beginning at 9:00am at the Freedom Town Hall.

### **Article 1:** (To vote by Official Ballot)

To choose all necessary Town Officers for the ensuing year

### **Article 2:** (To vote by Official Ballot)

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows:

Add as Article 18, Solar Energy Ordinance, that allows roof-mounted systems in all districts and places restrictions as to location, buffers, setbacks, and lighting on ground- and pole-mount systems to reflect the wishes of the community to retain Freedom's rural character?

### **Article 3:** (To vote by Official Ballot):

Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the town zoning ordinance as follows:

Amend section 310, Lot of Record, to clarify that only one single family dwelling is allowed per lot unless the zoning ordinance allows another residential use, e.g., accessory dwelling units?

**Article 4:** (To vote by Official Ballot):

Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board

for the town zoning ordinance as follows: To change the following interrelated provisions of the zoning ordinance:

- Amend section 310.1.5 to increase the allowed lot coverage of structures from 10% to 15%?
- Amend subsections of 304.6.7. Impervious Surfaces on Shorefront Lots:
  - 304.6.7.4: To decrease the level of impervious surface coverage that triggers the requirement for a stormwater management system designed by an engineer from 30% to 25% and to require that the system demonstrate that it will handle a 25-year storm—up from the current 10-year storm requirement.
  - 304.6.7.5: To require a stormwater management system on lots where impervious surface coverage is 15% to 25% instead of the current requirement for a system where impervious surface coverage is 20% to 30%.
  - 304.6.7.6: To decrease the level of impervious surface coverage that triggers the requirement for plantings in areas that do not meet the point score requirements in section 304.6.6.2 from 30% to 20%.
  - Add section 304.6.6 to state that it is the property owner's obligation to maintain the approved stormwater management system.

The combination of these amendments will allow property owners more use of small lots while protecting the water quality in the shorefront that may be degraded by more intensive development

## ARTICLE : 5

To see if the Town will vote to raise and appropriate the sum of \$ 2,624,451 for General Government for FY 2019 as follows:

**Article 6:**

To see if the Town will vote to raise and appropriate the sum of \$97,368.00 for the annual appropriation for the Library.

**Article 7:** To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for a fire proof safe to house some of the town's historical records. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

**Article 8:**

To see if the town will vote to raise and appropriate the sum of \$23,500.00 for office and computer system upgrade. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

**Article 9:**

To see if the Town will vote to raise and appropriate the sum of \$40,000.00 for the purchase and installation of a new compacter at the Transfer Station; to be paid by authorizing the withdrawal of \$20,000.00 from the Transfer Station Equipment Capital Reserve Fund and \$20,000.00 to come from general taxation.

Recommended by the Board of Selectmen 3-0

**Article 10:**

To see if the Town will vote to raise and appropriate the sum of \$25,400.00 for fuel pumps and management system housed at the town garage but used by all departments and the school. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

**Article 11:**

To see if the town will vote to raise and appropriate the sum of \$130,000.00 for installation of under drain and gravel of road surface for Durgin Hill Road.

**Article 12:**

To see if the Town will vote to raise and appropriate the sum of \$75,000.00 to repave on Town Roads.

**Article 13:**

To see if the Town will vote to raise and appropriate the sum of \$52,000.00 to sealcoat on Town Roads.

**Article 14:**

To see if the Town will vote to raise and appropriate the sum of \$17,000.00 for road crack sealing on Town Roads

**Article 15:**

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Town Hall and Office Capital Reserve Fund. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

**Article 16:**

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Municipal Land and Building Capital Reserve Fund. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

**Article 17:**

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Transfer Station Equipment Capital Reserve Fund. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

### **Article 18:**

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Highway Equipment Capital Reserve Fund. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

### **Article 19:**

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Police Department Equipment Capital Reserve Fund. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

### **Article 20:**

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Fire Department Equipment Capital Reserve Fund. These monies would come from unassigned fund balance. No amount to be raised from taxation.

Recommended by the Board of Selectmen 3-0

### **Article 21:**

To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Freedom Public Library Expendable Trust Fund previously established.

Recommended by the Board of Selectmen 3-0

### **Article 22: (by petition)**

To see if the Town will vote to raise and appropriate the sum of \$11,150.00 to hire a Senior Coordinator to assist seniors in finding appropriate services, knowledge, and resources they need to remain in their homes and in Freedom as they age. This article covers 12 hours per week salary, mileage, and funds for communicating with seniors as part of this role.

Recommended by the Board of Selectmen 3-0

**Article 23:** (by petition)

The Freedom Historical Society respectfully requests the Town raise and appropriate the sum of \$2,000.00 to help defray the cost of preservation and storage of museum records by scanning and/or photographing these historical records and making them accessible to the public. Freedom records consist of original documents, photographs, maps, artwork, narratives, books, magazines and newspaper articles, and a wide variety of artifacts. The Society researches, preserves and stores records that tell the story of Freedom’s people, events (including Old Home Week) and buildings for current and future generations.

Recommended by the Board of Selectmen 3-0

**Article 24:**

To transact any other business that may legally come before the meeting.

Given under our hands and seal this 11th day of February in the year of the Lord Two Thousand Nineteen.

A true copy, attest

M. Jayne Britton  
Treasurer

October 15, 2018

To the Board of Selectmen  
Town of Freedom, New Hampshire

We have audited the financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Freedom, New Hampshire for the year ended December 31, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 9, 2018. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Findings**

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town of Freedom, New Hampshire are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2017. We noted no transactions entered into by the Town of Freedom, New Hampshire during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on

management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the financial statements of the Governmental Activities were:

Management's estimates of the useful lives of depreciable capital assets are based on historical utilization of assets. We evaluated the key factors and assumptions used to develop the useful lives of depreciable capital assets in determining that it is reasonable in relation to the financial statements taken as a whole. Additionally, management's estimate for the liability for landfill post closure care costs is based on anticipated future monitoring and maintenance costs provided by the Town's engineering firm. We evaluated the key factors and assumptions used to develop the liability for post closure care costs in determining that it is reasonable in relation to the financial statements taken as a whole.

Significant estimates also include actuarial assumptions used in determining pension costs which are based on plan audited financial statements. We evaluated the assumptions used in the plan audited financial statements to determine that they are reasonable in relation to the financial statements as a whole.

The financial statement disclosures are neutral, consistent, and clear.

### ***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedules summarize uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

### ***Disagreements with Management***

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### ***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated October 15, 2018.

## ***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Town of Freedom, New Hampshire's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

## ***Other Audit Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Town of Freedom, New Hampshire's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## **Other Matters**

We applied certain limited procedures to the management's discussion and analysis, budgetary comparison analysis, schedule of changes in the Town's proportionate share of the net pension liability, schedule of Town contributions, and the notes to required supplementary information, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any

assurance on the RSI.

We were engaged to report on the combining nonmajor fund financial statements, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

### **Restriction on Use**

This information is intended solely for the use of the Board of Selectmen and management of the Town of Freedom, New Hampshire and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

*Tachon Clukay & Company PC*

## Freedom Public Library

### 2018 Annual Report

The staff and volunteers have worked hard this year to live up to the library's mission:

**The Freedom Public Library serves as a community center, providing a warm and welcoming environment for visitors of all ages. Our goal is to provide a variety of resources, services, and programs to meet the informational, cultural and recreational needs of year-round and seasonal residents of Freedom. We are committed to open access to materials and resources for all.**

496 library members checked out over 1770 books, audiobooks and DVDs this year. This is a 12.5% increase in circulation over 2017! We had over 14,000 visits from patrons in 2018. Many came to borrow materials, but others attended our many programs and classes, sent faxes, had documents notarized, used our computers and Wi-Fi, made photocopies, studied, got help with their devices, read to their children, and attended meetings. 137 patrons took advantage of the library's NH Downloadable Books service, borrowing 2854 eBooks, audiobooks and magazines virtually.

The library continues to offer a variety of programs for children, teens and adults. The monthly afterschool program and Pizza & Movie nights during the school year are popular as are weekly Preschool Storytimes. All of the grades from Freedom Elementary School make regular visits to the library and every student has a library card. We have a group that plays Mah Jongg twice weekly and a new group that meets to play cribbage every Tuesday. We also host knitters on Thursday evenings.

Many of Freedom's large population of seasonal residents are dedicated library users and we get super busy in the summer. We offer loads of programs for youth and a summer reading program for all ages. This year we had 194 kids, teens and adults actively participate in the reading program. The 133 adult participants read 1025 books this summer, a 20% increase over 2017 and the 46 children read 1105 hours, over 25% more than 2017!

At the end of 2017, the library launched an early literacy program, 1000 Books Before Kindergarten, which encourages parents to read to their young children. We have had 25 children actively participate in the program this year. Nine have already made it to 1000 and many are eager to make it to 2000.

The Friends of the Library do a wonderful job supplementing our programming for adults. The subjects this year included the Appalachian Trail, NH composer Amy Beach, frauds and scams, greenhouse construction, and fake news. They also hosted a comics drawing workshop for children. In addition, the library held series of cribbage classes, a sewing machine workshop, offered drop-in tech help, a hat-knitting workshop and our 12th annual Winter Film Series.

The library is able to borrow materials from libraries across the state. Unfortunately, the State interlibrary loan system crashed at the end of 2017 and has still not been replaced. This has created a great deal more work for the library staff. We are hopeful that the State Library will get a new system up and running well before the end of 2019.

Finding a volunteer with enough time and expertise to keep the library's books, do payroll and handle taxes, proved impossible once Laura Robinson came off the Board of Trustees, so we have found it necessary to hire a bookkeeper.

We are happy to say that we converted all the lighting in the library to super-efficient LEDs this year. We are pleased with the increased brightness and expect that the project will pay for itself in a few years.

We received \$2800 as part of a bequest from the estate of Margaret S. Morrow, the purpose of which is to promote literacy and the love of reading for Freedom's children, especially to those for whom these skills don't come easily. The Library Director is excited to find fun, creative, and effective ways to use this generous donation.

The library is grateful to the many volunteers who help us do what we do. Volunteers at the front desk worked 960 hours in 2018. Other volunteers working on special projects and programs put in additional countless hours on behalf of Freedom's residents. The support of these volunteers and the extra funds and programming provided by the Friends of the Library help make the library a vibrant and valuable community resource. If you are not already a member, we hope you will come get a free library card, and if you are looking for a way to give back to the community, consider becoming a Library or Friends of the Library volunteer!

Respectfully submitted,

Chuck Brooks, Chair

TOTAL CALLS FOR SERVICE      360

2018 was a very busy year for the department and myself. In March, I was hired for the full time EMS position and then appointed Fire Chief in July. The support I received, and continue to receive has been a humbling experience.

Calls for service increase every year. In 2018, we had 360 calls for service. In past years, we have done well with grants. Unfortunately, this year we were unsuccessful. We will continue to apply for grants as they come available to us.

Our new engine was placed in service in February, and we have replaced our 1952 military forestry truck with a 2003 military truck through the state at no cost to the town. This truck will be in full service for the spring.

Thank you to all Department Heads, Police Department, and Highway Department for all their hard work throughout the year. A special Thank you to Karen Hatch and Janice Zecher.

Last but definitely not least, I want to thank every member of this department for their dedication, hard work, and countless hours that are put in over the course of a year.

Respectfully Submitted,

Chief Rob Cunio

# POLICE DEPARTMENT

The Freedom Police Department had an excellent year. There were no major incidents. We did have several burglaries during one week in July. With the help of some keen and observant citizens we were able to apprehend the juvenile perpetrator's and end it very quickly. As always statistically July was the busiest month with just under 13 calls for service per day followed by June and August with around 12 calls per day. The numbers bottom out in December and January with just over 6 calls per day.

I received a lot of very good feedback about the radar sign that was purchased and put up near Camp Calumet on the Ossipee Lake Road. The radar trailer was utilized in or near the village for most of the summer. They seem to be helping slow people down and I may be purchasing another one to be put up in a yet to be determined location.

Due to some unforeseen circumstances I was not able to receive, and start using the pick-up truck cruiser until November. It is in service now and has already proved it's worth to me. For instance, I filled the whole bed of it one day with a couple broken televisions, broken glass and other construction debris and an old chair that somebody decided to leave at the gate to the Nature Conservancy. With the help of Cubby Brooks from the Freedom Transfer Station we were able to dispose of it properly. We have also responded to an inordinate amount of car vs. deer collisions this year. We are not always able to find someone to take the animal. It has been nice to have the truck and can dispose of the animal properly. Having the truck with four-wheel drive and good ground clearance is priceless in these harsh New England winters.

Staffing has been an issue for every Police Department in the State. Currently the Freedom Police Department consists of me and Sergeant Matthew Tyler as Full-Time. My part-time officers are James Mullen, who is a full-time Sergeant in Effingham, Robert King who is the Lieutenant for the Ossipee Police Department, Ted Colby, who is the Chief of the Madison Police Department and Tyler Eldridge who is a full-time patrolman in Ossipee. All these men are critical to me and the Town to have and keep.

On a more personal note, Sergeant Tyler did get married in October to his long-time girlfriend Katie. Congratulations to Matt and Kate. 2018 was very special to me as well; both my sons are in the United States Army. One of them I had not seen for two years and during Christmas they were both home. I can't put into words how spectacular that was for me.

It was a pleasure serving the Town of Freedom in 2018 and look forward to a good and productive 2019.

Respectfully Submitted

Chief Josh L. Shackford

## Transfer Station

It was an average year for activity at the Transfer Station.

On the recycling front, markets continue to be flat. We have one more year on our recycling contract with Pine Tree Waste, so our recycling program will remain the same for 2019. By mid-summer, I should know what the charges will be, if any.

Moving on, I am asking for a new compactor to replace our thirty (30) year old machine. It is worn out and very undersized, causing it to jam all the time. When the compactor jams, we must climb on top of it to un-jam it. This becomes a significant safety issue as well.

Thank you to all the department heads and their staff for great teamwork throughout the year.

Respectfully Submitted,

Justin Brooks  
Transfer Station Manager

## Planning Board Submission to the Freedom Town Report 2018

Under New Hampshire state law, the planning board acts on applications for site plan reviews, subdivisions, mergers of lots, and boundary line adjustments. In 2018, the board acted on three of these.

As camps continue to improve and expand facilities for their campers, the board approved three site plan reviews for camps—two for Camp Cody and one for Camp Calumet. The board approved a minor lot line adjustment and two mergers of lots.

The other statutory requirement of planning board to New Hampshire is to work on a master plan. The board is reviewing the revised plan, including the vision statement, and chapters on demographics, housing, land-use, natural resources, historical resources transportation and facilities. The Advisory Committee on Aging, which the BOS appointed in 2017, has been at work to identify ways to help seniors stay in Freedom. The Committee is proposing a part-time town senior coordinator to to assist seniors in finding appropriate services, knowledge, and resources they need to remain in their homes and in Freedom as they age. Because this is a new expense (\$11,150 for the year 2019), the Board of Selectmen have asked this be a petitioned warrant article. Please look for it after the budget in this report and learn about the details.

The planning board is proposing three changes to the zoning ordinance, which will be voted on the ballot on March 12, 2018.

### 1. Add a Solar Ordinance

The state has made a commitment to promote alternative energy throughout NH. The Freedom Planning Board supports this effort and wants to maintain the rural character that is so important to town residents and property owners. The board supports the installation of roof-mounted systems in all districts and is proposing some restrictions on ground- and pole-mount systems to reduce their visual impact on neighbors and passersby along town roads.

**Proposed Ballot Language:** Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the town zoning ordinance as follows: Add as Article 18, Solar Energy

Ordinance, that allows roof-mounted systems in all districts and places restrictions as to location, buffers, setbacks, and lighting on ground- and pole-mount systems to reflect the wishes of the community to retain Freedom's rural character?

## **2. Amend Section 310 Lot of Record**

This amendment is to clarify that the ordinance allows only one single family dwelling per lot, which is the current requirement, so that property owners understand the requirement better. The amendment specifies that this does not prevent an owner from having an accessory dwelling unit as provided by the ordinance.

**Proposed Ballot Language:** Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board for the town zoning ordinance as follows: Amend section 310, Lot of Record, to clarify that only one single family dwelling is allowed per lot unless the zoning ordinance allows another residential use, e.g., accessory dwelling units?

The full text of the amended Section 310 is on file at the Town Clerk's office and is available for public inspection when the town office is open.

## **3. Amend Section 310.1.5 (10% Lot Coverage) and Section 304.6.7 (Impervious Surfaces on Shorefront Lots)**

These two proposed changes are linked.

The first proposal increases the allowed lot coverage of structures from 10% to 15% of a lot. Owners of small lots may find the 10% limit restricts their ability to build on their lots—to expand existing structures, add a garage or shed, or build a new home. Most often, this restriction is an issue on shorefront lots.

The second proposal addresses the rules for impervious surfaces on shorefront lots. The goal of the Shoreland Water Quality Protection Act (a state law which all property owners must follow) is to manage the volume of runoff from shorefront lots because this runoff may contain nutrients, bacteria, or other pathogens that can degrade water quality. The driver of this runoff is impervious surfaces on lots—roofs, decks, patios, and paved, gravel, or crushed stone driveways, parking areas, and walkways that do not absorb or infiltrate water.

The law sets minimum standards for the percent of impervious surface that require stormwater management systems on shorefront lots and are found in section 304.6.7 in the Freedom zoning ordinance. This proposal sets higher standards:

- Requires a stormwater management system designed by an engineer at 25% impervious surfaces rather than 30% and requires the system handle a 25-year storm—up from the current 10-year storm requirement. (Section 304.6.7.4)
- Requires a stormwater management system on lots where impervious surface coverage is 15% to 25% instead of the current 20% to 30% range. (Section 304.6.7.5)
- Decreases the level of impervious surface coverage from 30% to 20% that necessitates additional plantings in areas that do not meet the minimum vegetation requirements that helps reduce runoff from lots. (Section 304.6.7.6)
- Adds a section stating it is the property owner's obligation to maintain the approved stormwater management system. (Section 304.6.7.6)

The combination of these amendments will allow property owners more use of small lots while protecting the water quality in the shorefront that may be degraded by more intensive development.

**The full text of the three articles are on file at the Town Clerk's office and is available for public inspection when the town office is open.**

### **My thanks to the Board!**

The town is fortunate to have volunteers who give their time and talents to the Planning Board. I would like to thank Paul Elie, the vice chair, for his work for the board. I also want to thank members Bill Elliott, Paul Olzerowicz, Dale McConkey, and Jeffrey Towle. Thanks also to our two alternates, Peter Park and Pam Keith, and our recording secretary, Stacy Bolduc, who makes sense out of our sometimes-rambling conversations. And finally, thanks to Les Babb, the Selectmen's Representative and Ernie Day, the Selectmen's alternate, for their service on the Planning Board this year.

Respectfully submitted,  
Anne Cunningham, Chair

## **Gibson Center for Senior Services**

The Selectmen were approached by the leadership of the Gibson Center for Senior Services to join with 10 other Mount Washington Valley towns to become designated as an AARP Age-Friendly Community. In July we received our designation which allows our town to participate in coordinated improvement efforts with all the towns, covering aspects of Health, Transportation, Housing, Outdoor Spaces and Community Connections for citizens of all ages. These improvements have an inter-generational focus and will benefit people of all ages. We are well represented by selectmen and numerous citizens who have contributed to the writing of twenty specific goals that will positively create a more livable community this year and in the several years ahead. For more information regarding the goals or to learn about ways to participate, visit <http://townoffreedom.net/> .

## Zoning Officer Report 2018

I want to acknowledge my predecessor, Mr. Ned Hatfield for his years of outstanding service to our community as Zoning Officer. Ned's advice and assistance during the construction of our home on Danforth was truly a wonderful experience even having to go before the Zoning Board of Adjustments (ZBA). After retiring, the experience I had with Ned was a driving factor in my applying for this position. I wanted to be an advocate for those wanting to enhance their properties by providing them the information needed to do that while remaining compliant with our Ordinance.

I assumed the position as the probationary Zoning Officer in January of 2018, and was made permanent in June of 2018. The 2018 zoning year was year of discovery for me. My goals were to become conversant and knowledgeable of the Town of Freedom Zoning Ordinance, establish a good working relationships with Building Inspector, the Zoning Board of Adjustments and Planning Board, and be accessible to the citizens and future citizens of Freedom providing guidance and assistance for all zoning related issues and inquiries. To these goals, I believe I have been successful. However, there is always room for improvement and I will continue educate myself as I continue toward my initial goals.

Although my job is not to patrol the community looking for zoning violations, when informed of an alleged violation, I will

look into the matter. Collaborating with the Administrative Assistant who supports the zoning officer and building inspector, we developed a Zoning Complaint Form. This form is not meant to expose the complainant, but to establish an official document trail in the event that if any formal actions should be taken by the Town or through litigation. The complainant may remain anonymous. This form can be found on the Town website under “Resources”. Other zoning related forms found on this page are “Initial Building/Zoning Application”, “Dead/Diseased tree Removal Application”.

Myself and the Building Inspector work as a team. I accompany the Building Inspector during inspections. He accompanies me during verification of ZBA conditions to an approved Variance or Special Exception, and during zoning complaint investigations. This partnership is a “win win” for both the Town of Freedom and its citizens. This leads to less zoning violations, and ensures that the ZBA’s efforts are not wasted.

Looking forward to a great 2019!

Don E. Harris, Sr.  
Zoning Officer

# 2018 ZONING BOARD OF ADJUSTMENT REPORT

The Zoning Board of Adjustment reviewed 40 applications in 2018; 23 of those were requests for dimensional variances (requests to build new structures or additions which are located at least in part in the side, front, or rear setbacks). 20 of the requests for dimensional variances were granted two were withdrawn and one was continued. The Board also;

- Granted a special exception to allow Palacio Revocable Trust for erosion control and cut trees in the Shore Front District.
- Granted a special exception to Camp Cody to construct a septic system with 125 feet of a wetland.
- Granted a special exception on two lots to allow Mrs. Watts for erosion control and cut trees in the Shore Front District.
- Granted a special exception to allow Mr. Watts and Mrs. Haynes for erosion control and cut trees in the Shore Front District.
- Granted a special exception approving Mr. & Mrs. Hatch for erosion control and cut trees in the Shore Front District.
- Granted a special exception to allow Mr. & Mrs. Buonfiglio for erosion control in the Shore Front District.
- Granted a special exception to allow Mr. & Mrs. Eanes for erosion control in the Shore Front District.
- Granted a special exception approving Mr. Ostiguy for erosion control and cut trees in the Shore Front District.
- Granted a special exception to allow Debra Palacio Revocable Trust of 2012 for erosion control and cut trees in the Shore Front District

Special exceptions are uses that must meet criteria outlined in the zoning code. One application was withdrawn from the board.

The Board would like to hear from citizens who may be interested in serving on the board. Please contact a Board member or one of the Selectmen.

Respectfully submitted,  
Scott Lees Chairman

### Annual Report 2018

---

<u>Permits</u>	<u>Assessed Value</u>	<u>Revenue</u>
95 - Building	\$19,384,000	\$41,680
53 - Electrical	702,000	1,590
22 – Plumbing	184,000	660
64 – Gas	8,500	1,920

#### 17 New Homes

Inspections are done on each project. We inspect foundations before they are backfilled. Plumbing, electric and framing are inspected before insulation. A final inspection is done before occupancy.

Respectfully submitted,

David A Senecal  
Building Inspector

# Freedom Conservation Commission

## Annual Report 2018

---

The Freedom Conservation Commission was established by residents at the annual town meeting held on 5 March 1973 pursuant to RSA 36-A “*for the proper utilization and protection of the natural resources and for the protection of the watershed resources of the town.*”

The 2018 workload included a variety of applications, documentation updates, training, and coordination efforts with federal agencies, state departments, and local boards.

While most applications addressed to the Commission were resolved at the monthly meetings, many applications and/or initiatives are on-going and may take months or even years to complete. Some of the more involved tasks the Commission worked on in 2018 include:

- The Watershed Management Plan was prepared by Forest Bell Associates in cooperation with the Green Mountain Conservation Group and the New Hampshire Department of Environmental Services. The Watershed Management Plan consists of two parts: Phase I and Phase II. Phase I addressed environmental concerns on Broad Bay, Leavitt Bay, Berry Bay, and Danforth Ponds, and was completed in 2015. Phase II addressed environmental concerns on Ossipee Lake, and was completed in 2018. A picture of all shoreline properties in Freedom was taken from the water and assigned an environmental rating. Rating criteria included a) shoreline buffer width, b) exposed bare soil, c) shoreline erosion, d) setback distance of structure, and e) slope of the shore. Green Mountain Conservation Group is currently pursuing a state grant to help fund education and remediation efforts. The Commission anticipates conducting educational and remedial efforts with

Green Mountain Conservation Group beginning in 2019. This will be a multi-year project.

- A *Perched Beach* application, first submitted to the Commission in 1988, was finally resolved in late 2018. After 30 years of applications, litigation, and inactivity, the project was resumed in earnest in 2014. The issue was resolved after the applicants, state, and town boards agreed upon the terms of approval.
- Commission members participated in the regularly scheduled monthly water testing outings of the Voluntary Lake Assessment Program (VLAP), and attended meetings of the Ossipee Lake Natural Area (OLNA) and the Ossipee Aquifer Advisory Committee (OAAC).
- Implementation of FEMA mandates by *Westward Shores* is a work in progress and continues to be monitored by the Commission on a bi-monthly basis. Personnel at the New Hampshire Office of Strategic Initiatives (OSI) and U.S. Environmental Protection Agency Region 1 / FEMA in Boston provide current status reports to the Commission as requested. FEMA is monitoring the implementation of signed agreements and work is progressing in accordance with mandates. The original deadline of October 2018 for full compliance has been extended by FEMA.

During 2018 the Commission updated the Commission's *Rules of Procedure* and compiled the *Conservation Commission Reference Manual*. Commission members also worked with the Planning Board to update the *Natural Resources Inventory* chapter of the Master Plan. The cyanobacteria algae blooms on Danforth Ponds necessitated coordination with NHDES and dissemination of updates to the community. Cyanobacteria will continue to be monitored by Freedom Conservation and Green Mountain Conservation as part of the Watershed Management Plan.

Commission members attended the annual symposium conducted by the New Hampshire Association of Conservation Commissions. Members participated in the following classes: Alternative Energy Solutions; Creating and Maintaining a Natural Resource Inventory; Wetland Rules Update; Land Trusts and Conservation Commissions; Grant Writing; Coyotes; Outreach to Community & Schools; and Natural Resource Protection.

Goals for 2019 include a) implementation of Watershed Management Plan; b) continue working with the Forest Advisory Committee on the Madison Logging Proposal and building a footpath bridge in the forest, c) coordinating Pine Barren burns in the town forest with The Nature Conservancy within the next five years; and d) educational presentations to the community.

***Thank You*** to all the Freedom Conservation Commission members who volunteered their time and contributed to a busy and productive year. And ***Special Thanks*** to the administrative staff, especially Stacy Bolduc who deciphers our discussions and captures our meeting minutes, and Janice Zecher & Karen Hatch who support and guide our efforts from town office. Residents interested in volunteering to join the Conservation Commission should speak to a Commission member or one of the Selectmen.

Respectfully submitted on behalf of the Freedom Conservation Commission,

Paul Elie - Chair	Cheryl Harris - Vice
Chair	
Alice Custard - Member	Sarah Tabor - Member
Frank Lalumire - Member	J.P. McVitty - Member
David Straw - Member	Sue Hoople – Alternate
Stacy Bolduc - Recording Secretary	

**FAC**  
**Forest Advisory Committee**  
**2018 Report**

2018 was a calm year in the town forest. Once again we received an excellent evaluation during this year's state monitoring inspection.

Volunteers repaired and repainted kiosks, signs and gates. All wildlife openings were mowed by SOS snowmobile club members, providing a good value for the town. Consideration was given to a town of Madison logging proposal involving the use of Jackman Ridge Road. A final agreement hinges on the provision for adequate funds to be made available to the town for any required road repairs.

We have agreed to join in a Nature Conservancy initiative to apply for available grants for controlled burn funding. There are many specific requirements involved here and it is good to have a partner with experience in this area.

It is a pleasure to see a variety of people and activities sharing in the benefits of our town forest. Thank you to all who help keep our forest and parking areas clean and inviting.

Respectfully Submitted,

Ron Newbury  
Chairman

**FAISC**  
**Freedom Aquatic Invasive Species Committee**  
**2018 Report**

It was a challenging year for us as we dealt with several challenges. In addition to the ongoing battle with milfoil, we experienced a Cyanicide bloom on Danforth. This is a naturally occurring substance that can be very detrimental to your health (possibly causing kidney damage and brain harm). Under ideal conditions, it can rapidly multiply.

Thanks to the folks at Green Mountain Conservation Group (GMCC), we were able to get the word out quickly so that people would refrain from going in the water. The folks at the camp ground were also very helpful in posting signs to warn of the danger. As far as we know, none were sickened. The only course of action is to continue to test the water until the danger has passed. The all clear was given some weeks later.

Milfoil spend for the year:

\$3133.25 (pending resolution of charge sent to wrong town).

- Gift account status:
  - Total gift account balance
  - Also, still have funds in Milfoil Trust Account (\$6,085.87 plus interest).

We also participated in the Lake Host Program this year. However, this time, we did a joint effort with all three towns! One advantage of this approach is the ability to place resources where they are most needed (depending on availability of help).

Our lakes are a very special resource that impact our quality of life as well as our tax base. We are very fortunate that our town selectmen understand the situation and have been very supportive in all these endeavors. While costs continue to rise due to both price increases and the expansion of areas that must be treated, we are likely to see greater costs in the years ahead.

Respectfully Submitted,

Jim McElroy, Chair  
Ned Kucera, Vice Chair

## Heritage Commission of Freedom, NH Annual Report for the year 2018

This Commission was established at the March 2009 Town Meeting for the purpose of researching and recording the history of buildings and land features in the Town of Freedom, NH, offering education to the public and responding to all Town Boards, private organizations and individuals on their questions regarding these matters. The Commission acts in advisory capacity to the Board of Selectmen when needed in discussions of ways to preserve and protect our historical resources in keeping with the stated vision of the town, according to the 2006 Master Plan and its update in 2018.

In 2018, six members and four alternates as well as a Liaison from the Board of Selectmen met five times to report, plan and transact formal business of the Commission. Agenda and approved meeting minutes are available on the Town Web Site and in printed form at the Town Offices. The public is welcome at these meetings and invited to participate in the activities. Elections of the Executive Board were held in April, 2018. As of January, 2018, Bob Smart retired from the position of Secretary/Treasurer which he had held and performed with steadfast, reliable accuracy since the creation of the Commission in 2009. He remained a full Member throughout 2018. Alan Fall retired as Chairperson, a position he held since 2009, but took over as Liaison to the BOS from Ernie Day, Jr. The Commission members are grateful for the commitment and hard work of these people.

Outside of meetings, ongoing work is done by members, alternates, associates and friends. During 2018 our efforts were focused on:

Following up on our 2016 application for and award of a state Conservation License Plate (Moose Plate) Grant for \$10,000 to restore and rehabilitate the Roller Shed, we applied for recognition

Heritage Commission of Freedom, NH  
Annual Report for the year 2018

from the NH State Preservation Alliance for the preservation work done by Michael Gaudette with oversight and help from BOS members Alan Fall and Ernie Day, Jr., and Mark McKinley. The Heritage Commission, the Town of Freedom, and Michael Gaudette were awarded an Annual Preservation Achievement Award for this project at a ceremony in Concord, NH in May of 2018. A member of the Preservation Alliance visited Freedom's Schoolhouse Hill during this year's Old Home Week to say a few words about this project to the public. Peg Scully presented the Town with a framed poster to commemorate this building as part of town history at the same ceremony. Heritage Commission funded this poster that will hang in Town Hall or Town Offices as well as another such poster to be mounted at the Roller Barn itself. The Commission will be funding an historic plaque, identical to all the others mounted on buildings placed on the State Register for Historical Places, as well for the Roller Barn.

During Old Home Week the Commission presented a talk on Freedom's cemeteries and also co-sponsored with the Historical Society a visit to the Lakeview Cemetery with talks given by Alan Fall and John Shipman.

Various Inventories of buildings and sites were worked on to either initiate new inventories or bring others in existence up to date. The Commission devised simpler forms to inventory places in town that are not being considered at the moment for the State Historic Register which requires much more in depth research. We hope to encourage others that love and respect the history of Freedom to participate in research by using the simpler forms. Alternate Janice Zecher offered a tutorial on how to access the Carroll County Registry of Deeds online so as to work from home, the library, or Town Offices when times for research can be arranged. In addition, meetings in the mornings of Wednesday at

Heritage Commission of Freedom, NH  
Annual Report for the year 2018

the library (10:30-noon) can be scheduled for small Commission projects and guidance from Peg Scully on the basics of research.

The Commission's Chairperson, Peg Scully, developed the answers to the application form from the State for acceptance of the First Christian Church of Freedom to the State Registry of Historical Places. In July the Church was voted by the State authorities onto this Register. The church asked for funding from its congregation for an historic building plaque to be purchased to be mounted on the exterior of the structure. This is in the works and should be in place by Old Home Week 2019 if not before.

The Commission is investigating the possible donation of a proper old snow roller to eventually be housed up at the Roller Barn.

The Commission is working, with help from Scott Brooks, to see to eventual installation of historic markers to be placed on the sites of Freedom's old schools.

Alan Fall, our liaison to the BOS, Ernie Day, Jr., member of the BOS, and David Senecal, Building Inspector, worked to put in place a Demolition Procedure to clarify communication among the Town, the Commission, and property owners about possible plans for demolition so that information about historic relevance to Freedom can be exchanged and, if needed, photos can be taken of a building prior to actual demolition. It is intended to keep visual as well as written records of historic sites and buildings before they are altered or disappear.

The Planning Board's Master Plan chapter on history and resources on Freedom history was approved as developed and written by Peg Scully.

Heritage Commission of Freedom, NH  
Annual Report for the year 2018

Members and alternates contributed approximately 506 volunteer hours to the accomplishments and/or ongoing work of the Commission in 2018.

Sincerely,

Chairperson Peg Scully; Vice Chairperson Bonnie Burroughs; Secretary/Treasurer Gale Morris; Scott Cunningham, Member; Raymond Dahlstrom, Member; Bob Smart, Member; Maureen Elliott, Alternate; Lee Fritz, Alternate; Phil Griffin, Alternate; Janice Zecher, Alternate; Alan Fall, Liaison to the Board of Selectmen.

## ROAD AGENT REPORT

### 2018 NOTES:

- February warmed up filling pot holes on the 20<sup>th</sup> and raking dirt roads on the 28<sup>th</sup>.
- Posted Weight Limits Signs February 20, 2018
- March had freezing rain and snow. North Eastern on the 8<sup>th</sup> after the 13<sup>th</sup> a long stretch of sun and clouds.
- November winter is here; snow, sleet, and freezing rain. Rain all month into December.

### IMPROVEMENTS:

- Reclaimed 4500 ft of asphalt on Moulton Rd
- Installed 1 ½ Gravel on 4500 ft of Moulton Rd
- Installed 2.5 inch of asphalt Binder Course
- Installed 40' of 60" Class 5 Concrete Culvert on Swett Hill Rd with Precast Concrete Headwalls
- Installed a 4' x 6' Precast Concrete Box Culvert on Moulton Rd with Precast Concrete Headwalls
- Installed 1.5 inch of asphalt wearing course on 4500 ft of Moulton Rd
- Installed Guard Rails on the section of new box culvert on Moulton Rd
- Cleaned and Inspected all culverts
- Roadside Mowing
  - Moulton, Swett Hill, Youngs Hill, Durgin Hill, Rice Hill, Cold Brook, Perry, Watson Hill, Burnham, Haverhill St, Beach Club, Marina, East Danforth, Independence, Fife & Drum, Hillside Dr, Little Knoll, Liberty, Powder Horn, Patriots, Olde Yankee, Hampshire, York, North Broad Bay, Freedom Point, Round Pond, Kidder Dr, and Loon Lake Roads.

### NEW OR REPLACED CULVERTS:

- Youngs Hill – 1 Cross Pipe

### **NEW FABRICATIONS:**

- Built pintle plate on new 2018 F550
- Rebuilt subframe on One Ton body
- Installed body from 2011 F550 to new 2018 F550
- Plumb up new sand hydraulic

### **BUILDING MAINTENANCE:**

- Three new ceiling fans

I especially want to thank my highway crew for all of their efforts,  
hard work, and cooperative dedication in the maintenance of our roads and properties. Great Job as always guys!

Thank you to all department heads, Police and Fire Dept. for their  
willingness to help meet the many challenges this past year.

Respectfully Submitted  
Scott N. Brooks Sr.  
Road Agent

**Request for \$5,000 of level funding from non-profit funds  
Freedom, March 2019 Town Meeting**

**Freedom Food Pantry**

The Freedom Food Pantry was established in 1992 to serve those families in need from the towns of Freedom, Effingham, and Ossipee. (Attached are statistics showing the number of families served by month and town thru September, 2018 and all of 2017). The Food Pantry is located in the basement of the First Christian Church of Freedom, 12 Elm Street, Freedom, New Hampshire. The church provides the space, electricity, heat and office supplies to the Food Pantry at no charge. No funding is received from the church. All funds received are spent on purchasing food. The pantry operates using only volunteers. The pantry has no paid staff.

The Freedom Food Pantry receives food from different sources. The first source is to receive USDA (United States Department of Agriculture) Emergency Food Assistance, at no cost from the government. In 2018, we received 25 - 29 cases every two months. The second source of food is to purchase food from the New Hampshire Food Bank (NHFB) in Manchester, NH. The NHFB struggles to keep their food supply shelves stocked and continues to have funding problems. Supermarket checkout scanners have eliminated over-ordering thru their computer systems, thereby less overstock is donated to NHFB. In order to maximize NHFB resources, NHFB has imposed case limits. Also, some foods are no longer available or others are available either so infrequently or on a different order and delivery cycle that the Freedom Food Pantry cannot get them. The pantry is then forced to buy these food items at local grocery stores at higher prices. (Note: This NHFB delivery schedule is once per month to a drop site in West Ossipee.) Food prices can be impacted by the drought and major weather events throughout the country.

Further, for 2018 Thanksgiving season, NHFB will only have turkeys available but no other foods considered part of the traditional Thanksgiving meal. (The NHFB does not provide anything for Christmas meals.) The pantry must purchase what many call "all the trimmings"--vegetables, stuffing, cranberry sauce, gravy, etc locally at higher prices. Another food item that is increasingly difficult to obtain from NHFB is meat. Because of this, the pantry has increasingly relied on what was always considered option three---purchasing needed items locally, which is the most expensive. Not only is it more expensive to provide food by purchasing locally, it is particularly expensive to buy meat. The Pantry is spending approximately \$1,058 per month and project expenses to be \$12,690 by year end 2018.

Funding for the Freedom Food Pantry has always been through donations. The donations that we receive are primarily from the residents of Freedom or from people who have ties to Freedom. Additionally, the Freedom Food Pantry has a mutual fund established and managed by the Finance Committee of the First Christian Church of Freedom. In 2018, the pantry received non-profit funding from Ossipee, Effingham and Freedom. Both monetary

and food donations to the Freedom Food Pantry fluctuate and are not predictable sources of funding.

Additionally, the 10 year Farm Aid Bill was passed in 2014 and \$8.7 Billion was cut from the Federal Food Stamp program known as SNAP. This cut to the SNAP program has impacted our food pantry clients. The Lakeview Neuro Rehab Hospital in Effingham closed in August 2015 which put 400+ local residents out of work. The job market in this area has not recovered from this closing. Also, the annual Social Security/Disability cost-of-living (COLA) does not keep pace with increases in living expenses.

Freedom client participation levels are from 11% to 43% of the total clients served on any given Saturday. Based on current food prices, the pantry will need continued support to feed Freedom clients next year.

Thank you for your consideration of this very important mission in our area.

Doris Sirois, Co-Director  
539-1339

Operations Expenses\*

Description	2017	2018	2019
	Previous	Current	Next
	Fiscal year	Fiscal year (thru Sept 2018)	Fiscal year
Food Storage & non food items (1)	\$ 1,037.39	\$ 784.93	\$ 1,150.00
Volunteer transportation (2)	\$ 345.30	\$ 109.25	\$ 300.00
Food (3)	\$ 11,307.78	\$ 6,044.63	\$ 11,865.00
TOTAL	\$ 12,690.47	\$ 6,938.81	\$ 13,315.00

Notes:

(1) Toilet paper, paper towels, toothpaste, bar soap, deodorant, freezer bags.

(2) Gas for vehicles used to pick up food from NH Food Bank or food shopping trips remains low in 2018 because NHFB delivered food orders to Tramway Plaza in West Ossipee, with a delivery fee.

Also, the volunteers have donated their time and trucks. Since the amount of food available from the food bank is limited and the volume of food purchased at grocery stores increases, the number of grocery store trips may increase travel expenses.

This will increase the cost of travel reimbursement.

(3) Food costs continue to increase in 2018. The NHFB has lost several significant donors. The drought and weather events throughout the country can have an impact on food prices. Grocery stores have better inventory control which has impacted donations to NHFB. The NHFB will make tukeys available for 2018. All the "fixings" for a traditional dinner will need to be purchased locally. (The NHFB does not provide anything for Christmas meals.)

Additionally, the 10 year Farm Aid Bill was passed in 2014 and \$8.7 Billion was cut from the federal food stamp program known as SNAP. This cut to the SNAP program has impacted our food pantry clients. The Lakeview Neuro Rehab Hospihal in Effingham closed in August 2015 which put 400+ local residents out of work. Also, the annual Social Security/Disability cost-of-living (COLA) adjustment does not keep pace with the increases in living expenses.

## Freedom Old Home Week

This year was the 120th celebration of Freedom Old Home Week, from Friday evening August 3rd, through Sunday, August 11th. The theme for 2018 was "Preserving Freedom's Legacy - Historical Society's 50th Year". The tee shirt design was designed and drawn by Freedom Artist Barbara McEvoy. The image featured six iconic images around Freedom - The Gazebo, Town Office, Freedom Village Store, Town Hall, First Christian Church and the Horse Trough. Barbara is the owner of The Freedom Gallery, located in the center of our Village. She has invited Freedom Artists, Photographers and others to exhibit their works. Her connection to the Freedom Elementary School has resulted in an "Artist of the Month" as well as an end of year School Exhibit.

This year's collectible tile was designed by Freedom's Peg Scully. The image chosen was that of the Historical Society, which adorns their sign in front of the building. Peg Scully is an almost life-time painter whose paintings have been in large part inspired by the landscape, light, history, places and people of Freedom and the surrounding area.

Rubber Ducky Day, under the direction and management of FOHW Committee member Ned Kucera, held the last Saturday in June, was our big event to raise money for all of the Old Home Week activities. The ever popular hay wagon rides and rides on Freedom's vintage fire truck were packed all day. A Photo Booth gave everyone great opportunities for a special remembrance of the day. The Mason's cooked up food for all to enjoy while waiting for the ducks to start racing over the falls. And for the children we had fun games and prizes while waiting for the big race. Of course our duck, "SPLASHY" who was named by a Freedom Elementary Student, came back to town for the event and is now part of a lot of selfies! Ticket sales were brisk up right up to race time! Congratulations to this year's winners Robin Waters - \$200 - #314 Anitha Ganji - \$100 - #304 Tony Killian - \$ 50 - #29. Rain was on our side this year, and the ducks were happy swimming quickly over the falls.

Freedom's tradition of having the lawn party at the Freedom Gallery continued as the current owner, Barbara McEvoy, shared

her artwork as well as many other works by Freedom artists and photographers in her barn's gallery. Rain... boy, did it rain, but we were prepared with tents, and the party was a success !! The lawn party kicked off the week with Becky Riley on the keyboard. The crowd was entertained with many food choices and the opportunity to meet up with a lot of new residents and visitors as well as old friends. And everyone got to congratulate the Grand Marshall for this year's parade, Lee Fritz.

The prime criteria for the Freedom Old Home Week Grand Marshall is overall volunteerism throughout Freedom. The 2018 theme was "Preserving Freedom's Legacy – Historical Society's 50th Year". A legacy is a situation that exists as a result of things that happened at an earlier time. Our Grand Marshall, Lee Fritz, has many legacies from having been a consistent volunteer in many capacities in Freedom for over 40 years. When Lee was asked if she would consider being the 2018 Grand Marshall, her response, in her sweet southern North Carolina accent was, "Well, I think I can do that....If I can remember, then I want to share. That will be my legacy." Freedom Public Library – Treasurer of the Board of Trustees. Lee did fundraising for the library's addition, worked to add air conditioning, and started the Book Club in 1990 (which still meets monthly). Lee continues as a weekly volunteer and member of the Friends of the Library. Preservation of Freedom Town Hall. Lee did much research with the NH Division of Historical Resources, studying NH towns of a similar size as Freedom. The Town Hall building may have been destined for demolition, but instead it was rehabilitated because of the information she gathered. Freedom Heritage Commission Freedom Old School Future Use Committee Freedom Historical Society South Eaton Meeting House Freedom Village Store New England Center at the University of New Hampshire.

Parade Day's weather was not just rain, but torrential downpours..... But, many came out as the route had enough people listening to Mango Groove Band and Mt Washington Valley Community Band, cheering on floats, Shriner's mini cars, Clowns in a Thing, the Church's music camp, Alan Fall with his steers. *Judges' Grand Prize: Freedom Historical Society Best Band or Musical Group: Mount Washington Valley Band Best Local Organization/Club/Business: Rotary Club Best Family*

*Float/Group: Battles & Eldridge Best Antique Vehicle: Cunningham Family Best Camp Float/Group: Leuthi Peterson Camp Best Individual or Neighborhood Group: "Clowns In A Thing" Best in Spirit: Shriners Mini Cars*

The rest of the week continued with all of our events including "Life of the Party", presented by the First Christian Church Music Camp, Library Programs, Paint Night, Lakeview Cemetery Historical Walk, Mountain and Town Forest hikes, land sports, water sports, family bingo, ping pong, ice cream social, mah jongg tournament, cribbage tournament, YOGA, Chinese auction, blessing of the animals, contra dance, Luncheon and Faire at the South Eaton Meeting House, 42nd Annual Arts & Crafts Fair, 5K road race, Ted Acton Memorial Tennis Tournament, talent show, and Firefighter's lobster and chicken barbecue.

The week was captured in many pictures and published on our Facebook Page (Freedom Old Home Week) and website, which are still available for viewing. For all results of competitions please visit <https://freedomoldhomeweek.net/event-results/2017-event-results/>

We would like to thank the Town of Freedom for their financial support and all the local sponsors who support our programs. And thanks to all the Old Home Week committee members, all the many event volunteers, landowners and vehicle owners, police and fire departments, town officials and Freedom's residents and visitors who made our events successful, while preserving Freedom's history of the spirit of an Old Home Week celebration.

Refer to our website, [freedomoldhomeweek.net](https://freedomoldhomeweek.net), and our Facebook page, Freedom Old Home Week, for announcements regarding all of the 2019 events.

DUCKY DAY - SATURDAY, JUNE 29, 2019

121st OLD HOME WEEK - AUGUST 2 - AUGUST 11, 2019

PARADE - SATURDAY, AUGUST 3, 2019

5K ROAD RACE - SATURDAY, AUGUST 10, 2019

Respectfully submitted,

Nancy M. Griffin, Chairperson, Old Home Week Committee 2018.  
Old Home Week Committee Members and those individuals without whom we could not have a successful events: Lauren Stoddard and Susan Marks (Co-Chairs), Janet Meyers (Treasurer), Kim Reis (WebMaster, Secretary and Assistant Treasurer), Shana Aisenberg, Vinny Beedle, Nancy Bossi, Gail Bizer, Cindy Clancy, Heather Cunio, Bonnie and Paul Elie, Scott Emond, Bill Elliott, Alan Fali, Michael Gaudette, Marilyn Goodwin, Phil Griffin, Joanne Haley, John Immediato, Gale Johnsen, Hillary, Jane and Larry Johnson, Pam Keith, Ned Kucera, Barbara McEvoy, Mark McKinley, Patrick Miele, Jack Monteiro, Karl Ogren, Knute Ogren, Kim Reis, Elizabeth Rhymer, Judy Robertson, Marcia Santner, Sarah Tabor, Brian Taylor, Diana and Steve Thurston, Paul Tung, Diana Wagner and Nancy and Pastor Larry Wogman.

## OSSIPEE LAKE DAM AUTHORITY'S REPORT 2018

The following is a report of the expenses of the Ossipee Lake Dam Authority for the year October 1, 2017 through September 30, 2018. Figures for the split between the two towns of Freedom and Ossipee are based on the assessed equalized value of the two towns. These values are furnished by the State of New Hampshire, D.R.A. in the town comparison.

Expenditures for the Ossipee Dam Authority in 2018                      \$14,066.06

Equalization Assessment Value as a Percent of Expenses

Ossipee:                      \$705,724,375   **56%** of \$14,066.06 = \$7,996.55

Freedom:                      \$535,046,995   **43%** of \$14,066.06 = \$6,069.51

The percent of Ossipee and Freedom expenses are revised each year according to the NH Equalization Assessment Value in order to bring the deficit of the past year up to the beginning balance for the coming year.

The following is the list of 2018 expenses for the Ossipee Lake Dam Authority.

Eversource	194.30
Post Office Box	54.00
FairPoint/Consolidated	514.76
John Picard (Salary)	5,000.00
Snow Removal	700.00
D.E.S. Bear Camp Gage	<u>7,603.00</u>
<b>Total Expenses October 2017-September 2018</b>	<b>\$14,066.03</b>
